

Student AI Guide

A COMMON LANGUAGE TOOL TO GUIDE RESPONSIBLE STUDENT USE OF AI

UNDERSTAND

- Do I have permission to use AI?
- What is my teacher asking me to do?
- What AI tools can I use? How will they help me with my work?

USE

- Did I use the AI to help me, or did it do all the work?
- Did I use it to get ideas or just copy and paste?
- Does my work show *my* smart thinking and *my* learning?

CREDIT

- Always tell your teacher if you used AI.
- Explain how the AI helped you.
- This shows you are honest and helps others know how you made your awesome work!

EVALUATE

- Check & evaluate what AI showed you.
- Does it make sense? Is it correct?
- Where did the AI get its ideas or information?
- Did the AI forget anything important?
