**Subject: Essential Elements - Standards for Special Education Students**

Kathy Donagrandi, Administrator of Special Education, would like an opportunity to present to our Board of Education the new ELA and mathematics curriculum, Essential Elements, which are Standards for Special Education Students. These standards are being implemented in our district this year. Please consider adding this agenda item to the Instruction section of the October 21, 2013, Board of Education Meeting.

Thank you for consideration of this request.
