Global Constraint: With respect to employment, compensation, and benefits to employees, consultants, and contract workers, the Superintendent shall not cause or allow jeopardy to financial integrity or to public image.		(enter rating and reasoning when appropriate)		
Operational Interpretation: I interpret this policy to mean that I shall not knowingly condone or undertake any action related to the compensation and/or benefits of employees that would negatively affect the community perception or support of the school district.				
Justification: Compensation and benefits are a sign	nificant portion of the district budget. The school district has a fiduciary sofficers and administration are held to a high standard of conduct and

## Evidence: 1. Human resources and the business office have reviewed processes and procedures and those were reviewed during the annual audit received by the board during the monitoring period. 2. The Superintendent did not cause or allow jeopardy to financial integrity or to public image. Financial Perceptions are near or at all time highs based on our latest scientific random sample survey: a. 74% of our community shares positive feedback about the district's fiscal management b. 80% 85% of our community shares that we are spending effectively/efficiently c. 93% 96% of our community shares that Eden Prairie Schools is a good value/investment which is at a high point since 2018. In addition, the board heard incredible strong support for the financial position and status within the community by Morris Leatherman in the Spring <del>2022</del> 2023 survey. Statement of Assertion: EL 2.8 is reasonable and in compliance. 2.8.1 Furthermore, the Superintendent shall not: Promise or imply permanent or guaranteed employment. Operational Interpretation: I interpret this policy to mean the District shall not hire or retain any employee or promise a potential employee employment with the District whose term and condition of service is not controlled by the Public Employee Labor Relations Act (PELRA), Minnesota State Statute, a Collective Bargaining Agreement (CBA), an At-Will Work Agreement, a contract for services. Justification: 1. No person can be considered an employee and receive compensation for services rendered without Board action. 2. The District maintains the following employer/employee employment agreements that define the terms and conditions of employment for employees: a. Certified Staff (i.e. must hold a license) are subject to PELRA MN Rule 3.855, Minnesota Statute 122A.40 (Continuing Contract Language), and the locally negotiated CBA. b. Classified Staff (i.e. do not generally hold a license) are subject to PELRA, Minnesota Statute, and the

locally negotiated CBA.

C.	Meet & Confer Agreements (non-licensed employees subject to PELRA and not represented by collective bargaining units)	
d.	Meet & Confer Agreements (licensed employees working in positions that do not require a MDE	
	license, subject to PELRA, and not represented by collective bargaining units)	
e.	Superintendent length of contract is limited to three years (MN Statute 123B.143)	
Measu	rement Plan:	
1.	Human Resources has policies in place to ensure no promises of permanent or guaranteed employment for any position.	
Eviden	ce:	
1.	State and federal law does not allow for permanent or guaranteed employment, and the district has not been found out of compliance with this policy or standing law. No staff members were offered permanent or guaranteed employment.

<u>Just</u>	ification:			
1.	The District routinely competes for employees with local, regional, and national employers. Therefore,			
	it is important that our employee compensation and benefit package remain competitive and yet			
	function within available resources.			
2.	The District routinely enters into employment agreements with organized groups or at-will individuals			
	via negotiations. Typically, the Administration leads the negotiations process with School Board			
	support. The School Board has retained the authority to determine the level of compensation and			
	benefits offered to employees, which is referred to in this policy as "board-established parameters."			
3.	B. The District conducts market place comparisons annually.			
Mea	asurement Plan:			
	1. Prior to each bargaining session, a marketplace comparative data analysis will be completed.			
	2. Settlements will be within the financial parameters reviewed by the board.			
<u>Evidence:</u>				
	1. Marketplace comparative data was collected on seven (7) four (4) bargaining groups prior to 2022			
	2023 negotiations.			
	2. During the monitoring period, the school district settled nine (9) three (3) bargaining			
	groups/employment agreements within parameters reviewed by the Board during the monitoring			
	period and the contracts are comparable to the market.			
	Statement of Assertion:			
EL 2	.8.2 is reasonable and in compliance.
