

**LEVELLAND INDEPENDENT SCHOOL DISTRICT  
BOARD OF EDUCATION**

Date: 12/17/2025 Presented By: Teresa Montemayor  
Subject: Public Hearing on FIRST  
Accountability Rating Related Page(s) Reports

**PUBLIC HEARING**

The Texas Education Agency has finalized the results of the 2023-2024

School Financial Integrity Rating System of Texas. In accordance with Title 19, Texas Administrative Code, Section 109.1005, each district is required to conduct a hearing for public discussion on the results.

Beginning with the 14-15 year ratings are now A=Superior, B=Above Standard, C=Meets Standard, and F=Substandard Achievement. We are required to conduct a hearing and to discuss the indicators on the report and the overall rating of the district. We are also required to distribute the report to each of the campuses in the district. The report will be sent to each campus tomorrow. Districts were evaluated on information derived primarily from their annual audit reports and from PEIMS data submissions.

Levelland ISD scored a 100 out of 100 which earned an "A" or "Superior" rating on the 2024-2025 School FIRST. The report is attached and will be available on each district campus as well as the central office.
