SUBJECT: 24-25 Title IX Report

Board of Education-

As Per Utah Code **53G-6-1101 Title IX Athletics Reporting effective 1/30/24** It is necessary for me to review the Title IX report at the beginning of each school year. The new Utah code reads:

Before the beginning of each year, the athletic director of another administrator of each school shall report to the school's governing board governing:

- a). the number and type of interscholastic sports available at the school, categorized by gender designation;
- b). the number of students competing in a gender-designated interscholastic sport at the school, categorized by gender;
- c). the amount of spending that the school devotes to each gender-designated sport, reported in total amount and on a per-student basis;
- d). a comparison and evaluation of designated practice and game locations in gender-designated interscholastic sports;
- e). any information regarding the school's efforts in compliance with Title 63G, Chapter 31, Part 2, Distinctions on the Basis of Sex, and Title IX; and
- f). if there is a discrepancy between male-designated and female-designated sports of 10% or greater, an action plan that the school develops to address the discrepancy.

An LEA governing board that receives the report described in Subsection (2) shall review the report in a public board meeting.

Thank You for your consideration on this matter.
