Dear Wayne Marquis,

This letter is a confirmation that CCSD will continue monitoring our monthly biomass BTU energy consumption for the Craig Elementary School and Craig Middle School and provide that information to the Department of Education and Early Development (DEED).

CCSD is extremely appreciative of the support and guidance DEED has consistently provided the district in response to our major maintenance and energy consumption documentation needs.

If there is any other documentation CCSD can provide or if there is anything we can do to support your work, please don't hesitate to let us know.

Sincerely,

Chris Reitan, CCSD Superintendent

Cc: Daniel Nelson, CCSD Maintenance Director
