## Instructions

Each district is to conduct a class enrollment survey of Kindergarten through Grade Four (K-4) no later than September 13, 2007. Based on class enrollment surveys for Grades K-4, enter the campus name and campus number for each campus in which the class size ratio exceeds 22:1. Enter the total number of sections and the reason(s) for the waiver request. Class size limits do not apply to physical education or fine arts classes.
The waiver request must be submitted by October 12, 2007, and must include a current compliance plan that has been approved by the local board of trustees. The plan must include the name(s) of campus(es), campus rating, grade(s), and number of sections exceeding a $22: 1$ class size ratio; steps to be taken to bring the district into compliance; timeline for completion; any new efforts/progress toward compliance (if plan was previously submitted); and specific reasons that noncompliance must be addressed. In addition, districts that request a waiver due to an inability to employ teachers must document efforts to recruit and hire staff.
