August 2022 Board Report

TO: NBCUSD #16 Board of Education, Mrs. Jill Larson, Superintendent

From: Hattie Llewellyn, High School Principal

School/Building Improvement:

- The building is ready for students and staff to return! Our custodians have done a phenomenal job getting everything ready!
- Our building theme for the 22.23 School Year is NBHS Reboot - Bringin' It Back (we are focusing on the things that build and promote positive school culture, strong relationships, and high expectations).

- The staff received PD regarding a variety of topics during the Teacher's Institute on Aug 15/16.
- We hosted Meet the Teacher Night on August 15th and had a great turnout! The students and parents walked through the building, familiarizing themselves with their schedules, where their lockers are, then we met in the cafeteria and I presented our "[How to Be Successful in High School](#)" Booklet.
- The High School will begin implementing PBIS this year. We have our school wide expectations developed, incentives for students and staff planned, and are ready to begin implementation

Be Ready Be Responsible Be Respectful

Curriculum and Instruction

- The math teachers attended a training with our math consultant on August 8th
- The science teachers have been planning for the implementation of the new science curriculum.
