

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: October 21, 2019

AGENDA ITEM: 2019-2020 District Instructional Focus

PRESENTER: Amber Crissey, Assistant Superintendent of Curriculum & Instruction

BACKGROUND INFORMATION:

- The district instructional data dashboard provides the district with a systematic process for gathering multiple data points to track implementation levels of the district focus areas and to monitor student progress data throughout the school year.
- The district will monitor a variety of implementation goals that are aligned to the district instructional focus to ensure fidelity of implementation during the 2019-2020 school year. The Board of Trustees will be presented with implementation data on a monthly, quarterly, and semester basis.
- At the end of each nine week grading cycle, the campus and district will monitor PLC actions through rating each Collaborative Team on an implementation continuum that corresponds to the three big ideas of a PLC which include:
 - *Learning as our Fundamental Purpose*
 - *Building a Collaborative Culture Through High-Performing Teams*
 - *A Focus on Results*
- District PLC goals were developed by gathering input from campus administrative teams. Campus administrative teams engaged in a PLC goal setting activity that analyzed the current reality for all collaborative teams at their campus based on the PLC at Work Continuum and then each campus determined a realistic goal for each indicator.
- The district analyzed all campus feedback and found the straight average for each of the three big ideas based on the campus feedback and set the district goals as follows:
 - **83%** of Collaborative Teams district-wide will rate at the “Developing” level in indicator #1 of *Learning as Our Fundamental Purpose* by June 2020.
 - **83%** of Collaborative Teams district-wide will rate at the “Developing” level in indicator #1 of *Building a Collaborative Culture Through High Performing Teams*.

- **86%** of Collaborative Teams district-wide will rate at the “Developing” level in indicator #1 of *Focusing on Results*.
- Data will be collected and analyzed at the end of each grading cycle in order to assess team and district level implementation of the three big ideas throughout the school year.
