Dating Violence Awareness

During the Month of February Denton County Friends of the Family will present a three part curriculum called "Real Kids Getting Real". This program is designed to help students to be aware of the signs of dating violence and how to get help or help a friend. This presentation also focuses on having positive relationships including friendships and dating. The goal is for students to make good choices in how they treat one another.

Student Council

Student Council had a Teddy Bear drive February 9th-18th. The students were asked to bring a new or slightly used teddy bear. The teddy bears will be given to the police department to give to young children involved in an accident or are in need of a hug.

Band
