

## Boardsmanship Award Level Status

Every year the Association of Alaska School Boards AASB tracks school board members attendance and participation in training and development opportunities throughout the year, including AASB fly-ins, Academies, the Annual Conference, and participation in AASB district workshops. These points are accumulative throughout a board member's term. To assist districts considering submitting nominations for the Carl Rose Governance Award or the Outstanding School Board Award, AASB is providing the Boardsmanship Level status of each board member.

- Basic Boardsmanship: minimum of 30 points
- Experienced Boardsmanship: minimum of 70 points
- Master in Boardsmanship: minimum of 110 points
