

Consider award of  
RFP 2425-130 Maintenance of Chiller / Boiler HVAC Systems Contract

1. Background:

The existing contract for the Maintenance of Chiller / Boiler HVAC Systems expires on August 31, 2025. SWISD issued a Request for Proposals for the services needed. The District received three (3) proposals on July 29, 2025. The contract period would be from September 1, 2025 through August 31, 2028, with the option of two (2) additional 1-year extensions.

The scope of work includes general annual cleaning, and inspections as part of a preventative program for all Chillers, Fan Coil Units, Packaged Units, Furnaces, Pumps, and Boilers throughout the District.

2. Process:

The proposals were evaluated based on the published selection criteria included in the District's specifications and \_\_\_\_\_ was selected as the best value for the District.

3. Recommendation:

District staff recommends the Board approve awarding a maintenance contract for the Chiller / Boiler HVAC Systems from September 1, 2025 through August 31, 2028, with the option of two (2) additional 1-year extensions for \$ \_\_\_\_\_ per year to \_\_\_\_\_.

4. Fiscal Impact:

The \$ \_\_\_\_\_ per year from budgeted funds.

5. Required:
