Good Afternoon,

Please see the attached file in response to your request for information under the FOIA. The District does not have records responsive to your request for 2006 as it is outside of the window required for record retention in the State of Illinois and no longer available in our financial software system. We have attached the report for FY2016.

You further request that the information be sent in a specific Excel format suggested by you for your own organizational purposes. The District has no obligation to create records or provide records in the organizational format you requested and has not done so.

As the FOIA officer I certify that to the best of my knowledge these records include all information responsive to the request in the District's possession and to the extent described in this response. I am unaware of any other information that exists that is not included in this response.

To the extent you interpret this response as a denial of your request, you have the right to have the denial reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General. 5 ILCS 140/9.5(a). You can file your Request for Review with the PAC by writing to: Public Access Counselor, Office of the Attorney General, 500 South 2nd Street Springfield, Illinois 62706, Fax: 217-782-1396, E-mail: public.access@ilag.gov, Phone: 877-299-3642. If you choose to file a Request for Review with the PAC, you must do so within 60 calendar days after the date of the denial letter. 5 ILCS 140/9.5(a). Please note that you must include a copy of your original request for documents and the denial letter when filing a Request for Review with the PAC. You also have the right to seek judicial review of your denial by filing a lawsuit in the State circuit court. 5 ILCS 140/11.

Thank you.
Amy
