FOREST LAKE, MN 55025**

December 6, 2018

AGENDA ITEM: 11.1

TOPIC: New Course Proposal – AP Human Geography A/B

BACKGROUND:

In an effort to expand the opportunities for students to earn college credit through coursework at Forest Lake Area High School, teachers and administrators explored potential departments and course offerings for consideration.

PROCESS:

With the transition of 9th grade to the high school, teachers and administrators endeavored to develop a college credit-bearing option that would be available to our 9th graders. It was determined that *AP Human Geography* would be a good fit as the content is appropriate for 9-12th grade students, and it provides an additional college credit bearing option for students through the Social Studies department. The course outline and content overview accompanies this course proposal.

RECOMMENDATION: First Reading of Proposed New Course

**To be offered in 19-20 pending Board Approval*
