RE: Property, Liability, and Auto Proposal

Dear Ms. Cedars:

We have received your request for a proposal for Property, Liability, and Auto coverage for West Orange-Cove CISD and would like to thank you for your interest in the TASB Risk Management Fund.

Our commitment is to provide only the best possible coverage at the most competitive price. We occasionally find that, due to the particular needs of the school district, we are unable to provide the requested coverage and the district is better served by other coverage providers. Such is the case with West Orange-Cove CISD's request for a proposal.

If you have any questions, I may be reached at 800-482-7276, ext. 3507.

Thank You,

A handwritten signature in black ink that reads "Michelle Jennings". The signature is written in a cursive, flowing style.
