How's 6th Grade Going?

- Easier to start a new club than in elementary school
- I like changing classes and moving throughout the day

What I'm involved in at HMS:

- I started the Aviation Club at HMS
 - We hold at least one meeting per month
- Magic Gathering Club
- Tech Club

Ideas for HMS:

- It would be great to have a sport option for everyone like skiing, fencing or fishing
- I would also like to see more sports for 6th graders
