Back to School Event 2024

West Location
July 13, 2024

East Location
July 27, 2024

The El Paso County Housing Authority (EPCHA) proudly hosted two successful back-to-school events this year, marking our inaugural west side event in Canutillo and a well-attended east side event in Fabens. The Canutillo event saw a remarkable turnout with 402 families participating, while the Fabens event drew 581 families. This success reflects our commitment to supporting low-income families within EPCHA's jurisdiction, ensuring that children start the new school year well-prepared.

We are deeply grateful for the support of County Commissioners Coronado and Holguin, whose presence added significant value to the events. A heartfelt thank you goes to the EPCHA staff, dedicated volunteers, and community partners, including El Paso Health Inc. and El Pasoans Fighting Hunger. Their collective efforts and unwavering support were instrumental in making these events a success and enriching the lives of our community members.
