

Automatic Admission to Institution of Higher Education

All applicants from Texas schools accredited by a generally recognized accrediting agency and who graduate in the top ten percent of their high school class or who graduate in the top 25 percent of their high school class, to the extent the governing board of a general academic teaching institution has adopted such an admission policy, shall be admitted to a general academic teaching institution [see Education Code 61.003(3)] if the student meets the following conditions:

1. The student has met one of the following:
 - a. Successfully completed the distinguished level of achievement under the Foundation, Recommended, or Advanced High School Program from a Texas public high school as outlined under Education Code 28.025 [see EIF];
 - b. Satisfied ACT's College Readiness Benchmarks on the ACT assessment; or
 - c. Earned a score on the SAT that meets the minimum requirements described by 19 Administrative Code 5.5(b)(1)(D).
2. The student submitted an official high school transcript or diploma that must, not later than the end of the student's junior year, indicate whether the student has satisfied the above requirements.

Valedictorian Eligibility

In addition to admissions under the top ten percent rule, each general academic teaching institution shall admit an applicant for admission to the institution as an undergraduate student if the applicant graduated as the valedictorian of the student's high school graduating class in one of the two school years preceding the academic year for which the student is applying for admission and satisfies the requirements listed in Education Code 51.803. *Education Code 51.803(d-1)*

Exception

Beginning with admissions for the 2011–12 academic year, the University of Texas at Austin (UT) is not required to offer admission to applicants who qualify for automatic admission in excess of the number required to fill 75 percent of the university's enrollment capacity designated for first-time resident undergraduate students in an academic year.

If the number of applicants who apply to UT for admission in the next academic year and who qualify for automatic admission exceeds 75 percent of UT's enrollment capacity, UT shall, not later

than September 15, provide to each district, for dissemination to high school juniors and their parents, notice of which percentile ranks of high school seniors who qualify for automatic admission are anticipated to be offered admission during the next school year.

Education Code 51.803(a-1)–(a-2)

Curriculum
Requirements

An applicant who does not satisfy the curriculum requirements for the distinguished level of achievement under the foundation program, the Recommended High School Program, or the Advanced/Distinguished Achievement High School Program is considered to have satisfied those requirements if the student completed the portion of the applicable curriculum that was available to the student but was unable to complete the remainder solely because the necessary courses were unavailable to the student at the appropriate times in the student's high school career as a result of course scheduling, lack of enrollment capacity, or another cause not within the student's control. *Education Code 51.803(b)*

To qualify for admission under this section, an applicant must submit an application before the expiration of any application filing deadlines and provide a transcript that satisfies the requirements listed in Education Code 51.803(d). A student's transcript or diploma must, not later than the student's junior year, indicate the student's progress toward satisfying the curriculum requirements [see EI]. *Education Code 51.803(c)-(d)*

Signs to Be Posted

A board shall require each high school in the district to post appropriate signs in each school counselor's office, in each principal's office, and in each administrative building indicating the substance of the automatic admission provisions above. *Education Code 28.026*

Dissemination

A district shall provide each student, at the time the student first registers for one or more classes required for high school graduation, with a written notification concerning automatic college admission, the curriculum requirements for financial aid under Education Code, Title 3, and the benefits of completing the requirements for automatic admission and financial aid. A school district shall obtain written acknowledgement of receipt of the notification from each eligible student and student's parent or guardian. The notification must be signed by the student's school counselor in addition to being signed by the student and the student's parent or guardian. *19 TAC 61.1201*

To assist in dissemination of information regarding the automatic admissions program, a district shall:

1. Require that each school counselor and class advisor at a high school be provided a detailed explanation of the substance of the program;
2. Provide each student, at the time the student first registers for one or more classes required for high school graduation, with a written notification, using the appropriate form adopted by the Commissioner, of the substance of the program;
3. Require that each school counselor and senior class advisor at a high school explain to eligible students the substance of the program;
4. Require that, at the beginning of grades 10 and 11, a certified counselor explain the requirements of automatic admission to a general academic teaching institution to each student who has a grade point average in the top 25 percent of the student's high school class [see FFEA]; and
5. Not later than the 14th day after the last day of classes for the fall semester or an equivalent date in the case of a school operated on a year-round system, provide each eligible senior student and each junior student who has a grade point average in the top ten percent of the student's high school class, and the student's parent or guardian, with a written notification, using the appropriate form adopted by the Commissioner, of the student's eligibility with a detailed explanation in plain language of the substance of the program. The district shall obtain written acknowledgment of receipt of the notification from each eligible student and the student's parent or guardian.

Education Code 28.026, 33.007(c)

Note: The [Notification of Eligibility for Automatic College Admission](#),¹ intended to satisfy the requirement at item 5 above, is available on the TEA website.

Class Rank

High school rank for students seeking automatic admission to a general teaching institution on the basis of their class rank is determined and reported as follows:

1. Most recent available class rank, based on a point in time no earlier than the end of the 11th grade, shall be used for admission decision-making.
2. The top ten percent and top 25 percent of a high school class shall not contain more than ten percent and top 25 percent, respectively, of the total class size.

3. The student's rank shall be reported by the applicant's high school or school district as a specific number out of a specific number total class size.
4. Class rank shall be determined by the Texas school or district from which the student graduated or is expected to graduate.

19 TAC 5.5(f)

Certain Programs If the program meets the requirements of Education Code 51.8045, a board may treat a high school magnet program, academy, or other special program conducted by the district at a high school attended by high school students who are not in the special program as an independent high school with its own graduating class for purposes of Education Code 51.803 and 51.804 only (top ten and top 25 percent rule). *Education Code 51.8045*

**End-of-Course
Assessments**

A student's performance on an end-of-course assessment instrument may not be used in determining the student's class ranking for any purpose, including entitlement to automatic college admission. *Education Code 39.0232(b)(1)*
