

## Athletic Report 5/6/13

The year is winding down, and our kids are finishing out the last two seasons we still have going on. Baseball is in the second round of the playoffs winning impressively against El Dorado 2-0. The 2<sup>nd</sup> game was an 11-1 victory at the end of 5 innings. The win was a 10 run ruling in the final game at the end of 5 innings 11-1.

Jacquelyn Abbey will be competing at the state meet in the 800 and 1600 meter runs. This year, we have taken a step in the right direction with our numbers being up in every sport, having more people and teams advance past district play than last year. There is a lot of room for improvement, and that is what we will do as we prepare for next year.
