RESOLUTION

Declaration of Appreciation for Parkrose School Board Members

WHEREAS school Boards provide a critical connection among families, schools and communities; and

WHEREAS school Boards establish policies aligned to community standards and which guide effective schools; and

WHEREAS school Boards are accountable to their communities and create a public forum for discussion about school improvement; and

WHEREAS school Board members serve without remuneration yet devote hundreds of hours annually in service to their school districts; and

WHEREAS school Boards help create learning environments which foster growth and development of all children with all levels of ability;

NOW THEREFORE BE IT RESOLVED that the Parkrose School District declares its appreciation of Parkrose school Board members for their commitment and many contributions to the enrichment, encouragement and success of the students of Parkrose and for providing the critical link among schools, families and the community.
