

Lawn Care Bidding

Background:

The last time we bid for lawn care services was 2015. Although it is good to have consistency and show loyalty to a contractor, it is also important to be fair with other potential bidders and to be prudent with our tax dollars by rebidding the services when appropriate.

In January, we placed the following advertisement in the *Belmond Independent* and on the district's web site:

Belmond-Klemme CSD

The Belmond-Klemme School District reserves the right to accept or reject any or all bids and award in any manner deemed by it, in its sole discretion, to be in the best interests of Belmond-Klemme School District.
