### **A Note from the Principal**

Dear Students, Staff and Family Members;

ELEVATING STUDENT VOICE The Oregon Department of Education is deeply committed to helping each and every student learn, grow, and thrive. ODE is also committed to providing opportunities for feedback and input to continuously improve education experiences for all students in Oregon. The Student Educational Equity Development (SEED) Survey will help ODE gather information about the educational experiences of students in Oregon. This information will help ODE to develop appropriate resources and supports for districts in Oregon, and better target those resources where they are most needed. SEED Survey data may also help districts develop a fuller

picture of their local contexts and make strategic modifications to curriculum, instruction, and related academic supports that they offer students.

### SENIOR DUTIES:

It's time to prepare for the FAFSA! The FAFSA is expected to be available Jan 1st. All seniors are required to complete this in preparation for their next steps. Contact Esther ([esthert@nknsd.org](mailto:esthert@nknsd.org)) or Shawn ([shawnl@nknsd.org](mailto:shawnl@nknsd.org)) if you need assistance or have questions. There will also be upcoming FAFSA help opportunity nights coming up January-March!

### **WHAT STUDENTS CAN DO NOW TO PREPARE**

- Prior-Prior Year (PPY) Tax Information: The 2024-2025 FAFSA will use **2022 tax information for students and their families** to determine eligibility for federal student aid. They should ensure that this information is completed and accessible.
  - All students and parents contributing to the FAFSA will need a FSA ID. If they don't already have one, they can go [here](#) to create an account. You will need your social security number and a personal email and phone number for each account created. *Make sure and save your log-in information somewhere!*
