Board Report

October 18, 2018 Special Meeting

Firewood Supply Project RFP

We received bids from two vendors in this cycle. One vendor is interested in supplying firewood only to Kasaan. The total price per cord is higher, but includes stacking which makes it modestly cheaper. The other vendor was interested in all sites. **I recommend the awarding bids as laid out on the action sheet provided in your packet, including Southeast Savage Trucking and Tire proposal for Kasaan and the JK Forest Products proposal for the rest of the sites and crates.** We will continue to make smaller sales for fundraising or individuals.

Certified Staff Request for Leave of Absence

I recommend approving the request for a leave of absence for the 2019-2020 school year. Upon return, the employee would retain accrued leave and be eligible for a position in the district, though would not be guaranteed an administrative position.

Restaurant Leases

The City of Thorne Bay has reduced the rent for the land for this year and this arrangement reflects a corresponding reduction in our charge to the renters. We are charging only enough to cover potential expenses and some wear and tear on the facility. **I recommend acceptance of both lease agreements.**

Sincerely,
