Re: ECC Furniture Purchase

I am requesting that the Early Childhood Center furniture purchase from the Bond Fund be placed on the agenda for the November 13, 2023, Committee of the Whole meeting. The Bond Team is recommending the purchase of this furniture from Interior Environments, KI Direct, Lakeshore, NBS Commercial Interiors, Demco, Great Lakes Furniture Supply, School Health and Kaplan Education in the total amount not to exceed \$616,500.00, which includes a 5% contingency. The great variety of furniture being recommended for purchase will be utilized in the new Early Childhood Center. Jessica Walter from TMP Architects will join us at the meeting to present to the Board the furniture pieces and where in the new ECC building many will be placed.

Please contact me if you have questions. Thank you.
