**SECTION 6.       DEFAULT AND REMEDIES.**

The occurrence of one or more of the following shall constitute an Event of Default under this Resolution and the Bonds:

- a.       Failure by the District to pay Bond principal, interest or premium when due;
  - b.       Failure by the District to observe and perform any covenant, condition or agreement on its part to be observed or performed for the benefit of Owners of Bonds, for a period of sixty (60) days after written notice to the District by the Owners of fifty-one (51%) percent or more of the principal amount of Bonds then Outstanding specifying such failure and requesting that it be remedied; provided however, that if the failure stated in the notice cannot be corrected within such sixty (60) day period, it shall not constitute an Event of Default so long as corrective action is instituted by the District within the sixty (60) day period and diligently pursued, and the default is corrected as promptly as practicable after the written notice referred to in this paragraph; or,
  - c.       The District is adjudged insolvent by a court of competent jurisdiction, admits in writing its inability to pay its debts generally as they become due, files a petition in bankruptcy, or consents to the appointment of a receiver for the payments.

The Owners of fifty-one (51%) percent or more of the principal amount of Bonds then Outstanding may waive any Event of Default and its consequences, except an Event of Default as described in (a) of this Section.

Upon the occurrence and continuance of any Event of Default hereunder the Owners of fifty-one (51%) percent or more of the principal amount of Bonds then Outstanding may take whatever action may appear necessary or desirable to enforce or to protect any of the rights of the Owners of Bonds, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Resolution or the Bonds or in aid of the exercise of any power granted in this Resolution or in the Bonds or for the enforcement of any other legal or equitable right vested in the Owners of Bonds by the Resolution or the Bonds or by law. However, the Bonds shall not be subject to acceleration.

No remedy in this Resolution conferred upon or reserved to Owners of Bonds is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Resolution or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. To entitle the Owners of Bonds to exercise any remedy reserved to them, it shall not be necessary to give any notice other than such notice as may be required by this Resolution or by law.

**SECTION 7.       DEFEASANCE**

The District may defease the Bonds by setting aside, with a duly appointed escrow agent, in a special escrow account irrevocably pledged to the payment of the Bonds to be defeased, cash or direct obligations of the United States or obligations the principal of and interest on which are fully and unconditionally guaranteed by the United States in an amount which, in the opinion of an independent certified public accountant, is sufficient without reinvestment to pay all principal and interest on the defeased Bonds until their maturity date or any earlier redemption date. Bonds which have been defeased

pursuant to this Section shall be deemed paid and no longer outstanding, and shall cease to be entitled to any lien, benefit or security under this Resolution except the right to receive payment from such special escrow account.

**SECTION 8. ESTABLISHMENT OF FUNDS AND ACCOUNTS**

The following funds and accounts shall be created and continually maintained, except as otherwise provided, so long as the Bonds remain unpaid.

a. Debt Service Account. The District shall maintain the debt service account in the District's debt service fund for the payment of principal, premium, if any, and interest on the Bonds as they become due. All accrued interest, if any, and all taxes levied and other moneys available for the payment of the Bonds shall be deposited to the debt service account.

b. Project Fund. The District shall maintain the project fund into which the proceeds of the Bonds shall be deposited, for the purpose of accounting for and paying all costs of the projects and the costs related to the sale of the Bonds. Any interest earnings on moneys invested from the project fund shall be retained in the project fund. The District's share of any liquidated damages or other moneys paid by defaulting contractors or their sureties will be deposited into the project fund to assure the completion of the projects.

Upon completion of the projects and upon payment in full of all costs related thereto, any balance remaining in the project fund shall be deposited to the Debt Service Account for payment of debt service.

**SECTION 9. PROFESSIONALS**

The District hereby affirms Hawkins Delafield & Wood LLP as bond counsel for the issuance of the Bonds and Piper Sandler & Co., as underwriter or placement agent.

**SECTION 10. RESOLUTION TO CONSTITUTE CONTRACT**

In consideration of the purchase and acceptance of any or all of the Bonds by those who shall own the Bonds from time to time (the "Owners"), the provisions of this Resolution shall be part of the contract of the District with the Owners and shall be deemed to be and shall constitute a contract between the District and the Owners. The covenants, pledges, representations and warranties contained in this Resolution or in the closing documents executed in connection with the Bonds, including without limitation the District's covenants and pledges contained in Section 4 hereof, and the other covenants and agreements herein set forth to be performed by or on behalf of the District shall be contracts for the equal benefit, protection and security of the Owners, all of which shall be of equal rank without preference, priority or distinction of any of such Bonds over any other thereof, except as expressly provided in or pursuant to this Resolution.

ADOPTED by the Board of Directors of the Beaverton School District No. 48J, Washington and Multnomah Counties, Oregon this 14th day of January, 2025.
