Phil Baldwin	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	The Charter will compliment the community school model and is a step forward in providing innovative education to the students in the Batesville Schools.
Ann Clemmer	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	While I am voting to support, I would expect the licensure waivers to be used with caution.
Dr. Naccaman Williams	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Support the motion. This charter will allow students to choose various Medical Pathways, and Aviation; as well as meeting the occupational needs of the community.
Toyce Newton	<input type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Absent
Sonya Wright-McMurray	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I am supportive of Batesville School District's plan. This conversion charter will provide expanded opportunities for students to pursue CTE career pathways. I strongly encourage the district to identify additional opportunities to support non-licensed/permitted CTE subject matter experts instructing CTE courses.
