

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 1/18/22 Superintendent: Dave Valenzuela

Administrator/Staff: Lisa Cross

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

It is recommended the Board approve ZCS Engineering & Architecture to provide design services for the Fleming Middle School Seismic project, and approve ORW architecture to provide design services for the Fruitdale Elementary Classroom Addition project.

Provide history/background information on your proposal:

The projects were properly advertised with proposals being evaluated on November 24, 2021. Both projects are funded with grants awarded and approved through the state. One (1) firm submitted a proposal for the Fleming Seismic Rehabilitation project, ZCS Engineering, and the review committee felt this firm was well-qualified for the project. Two (2) firms submitted proposals for the Fruitdale Elementary Classroom Addition, ORW Architects and GMA Architects. The proposals were evaluated on several weighted factors and in-person interviews were held, with ORW Architects receiving the highest cumulative score (see attached).

List the advantages of your proposal:

List possible disadvantages of your proposal:

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?
