

**LIVONIA PUBLIC SCHOOLS
BOARD OF EDUCATION MEETING
April 8, 2019**

ITEM: III.

**TOPIC: Approval to Change Attendance Area of
Kennedy and Randolph Elementary Schools**

RECOMMENDATION:

Move that the Board of Education of the Livonia Public Schools School District approve that the area west of Wayne Road and north of Central City Parkway, bordered by the Morgan Drain on the west and north, be designated for student attendance to Kennedy Elementary School; encompassing the residential developments of Colonial Village, Greenwood Villa, and Rivergate Drive Condominiums.

RATIONALE:

Due to population trends and housing developments impacting student enrollment at Randolph Elementary School and Kennedy Elementary School, this shift in the attendance area will assist in balancing pupil enrollment between the two schools and positively impact transportation times for the students affected. The high level of support and care will continue for all students.
