Dear members of the Northome School Board,

It has been my privilege to help teach elementary music for the past few weeks at Northome. The administration, staff, and students have all been so welcoming and helpful.

However, I will not be returning to Northome in the fall. I will continue my halftime music position in Kelliher.

Thank you for the opportunity to return to Northome. I am very appreciative of all this school has to offer.

With gratitude,

Miriam Kindem
