BOARD OF EDUCATION MEETING  
March 25, 2019**

**ITEM: VI.F.**

**TOPIC: Approval of Bid Results for Scoreboards and Related Electrical Work**

**RECOMMENDATION:**

Move that the Board of Education of the Livonia Public Schools School District, approve the recommendation from the Owner's Representative, Plante Moran CRESA, to approve athletic field improvements in the form of scoreboards and related electrical work for Franklin High School, Stevenson High School, and Churchill High School in the amount of \$117,879.00, and authorize the Superintendent or her designee to negotiate and execute final contracts with the recommended contractors.

**RATIONALE:**

This Sinking Fund project will complete the planned athletic field improvements at Churchill High School, Franklin High School, and Stevenson High School during the summer of 2019. The original RFP for scoreboards was made public with the entire athletic field package, but the District only received one bid. The scoreboards and related electrical work were rebid and this recommendation of contractors is now the final piece of the planned athletic field projects for this coming summer.
