Mr. David Ojeda Jr., Executive Director
Community Services Agency of South Texas, Inc.
P.O. Box 488
Carrizo Springs, TX 78834

Dear Mr. Ojeda:

This letter is in support of the application of the Community Services Agency of South Texas, Inc. (CSA) for continual financial support from the Administration for Children and Families to implement the Head Start Program in the rural South Texas communities of Eagle Pass, Carrizo Springs, Cotulla, Dilley and Pearsall.

CSA offers over forty-seven years of experience in providing early childhood education to the low-income children of the region. Eagle Pass Independent School District has collaborated with CSA to assure that the Head Start children and their families receive quality services from all of the resources, which are available in our communities. We have been partners with CSA in our united efforts to improve the quality of life for low-income families and we will continue to support the school readiness efforts of the CSA Head Start Program.

We hope that the application submitted by CSA will be favorably reviewed and allow CSA to continue to provide high quality services to the children and families in our area.

Respectfully submitted,
