

This policy shall apply to a student who has not been in attendance for 90 percent of the days the class is offered.

**Consideration of All Absences**

All absences shall be considered in determining whether a student has attended the required percentage of days under this policy.

**Attendance Committees**

The Board shall establish an attendance committee or as many committees as necessary for efficient implementation of Education Code 25.092.

The Superintendent or designee shall make the specific appointments in accordance with legal requirements.

**Parental Notice Of Excessive Absences**

A student and the student's parent or guardian shall be given written notice prior to and at such time when a student's attendance in any class drops below 90 percent of the days the class is offered.

**Methods for Regaining Credit or Awarding a Final Grade**

When a student's attendance drops below 90 percent but remains at least at 75 percent of the days the class is offered, the student may earn credit for the class or a final grade by completing a plan approved by the principal. This plan must provide for the student to meet the instructional requirements of the class as determined by the principal.

If the student fails to successfully complete the plan, or when a student's attendance drops below 75 percent of the days the class is offered, the student, parent, or representative may request award of credit or a final grade by submitting a written petition to the appropriate attendance committee.

Petitions for credit or a final grade may be filed at any time the student receives notice but, in any event, no later than 30 days after the last day of classes.

The attendance committee shall review the student's entire attendance record and the reasons for absences and shall determine whether to award credit or a final grade. The attendance committee may also, whether a petition is filed or not, review the records of all students whose attendance drops below 90 percent of the days the class is offered.

Students who have lost credit or have not received a final grade because of excessive absences may regain credit or be awarded a final grade by fulfilling the requirements established by the attendance committee.

**Personal Illness**

When a student's absence for personal illness exceeds four consecutive days, the principal or attendance committee may require that the student present a statement from a physician or health clinic verifying the illness or condition that caused the student's ex-

tended absence from school as a condition of classifying the absence as one for which there are extenuating circumstances.

The principal or attendance committee may require that a student present a physician's or clinic's statement of illness after a single day's absence as a condition of classifying the absence as one for which there are extenuating circumstances.

A maximum of four parent excuses per semester shall be accepted during a school year. For each absence after the fourth per semester, a parent must provide a physician's or clinic's statement classifying the absence as one for which there are extenuating circumstances, or receive a principal's approval for the absence. Excuses shall only be accepted within five school days following the last day of absence.

**Guidelines on  
Extenuating  
Circumstances**

The attendance committee shall adhere to the following guidelines to determine attendance for award of credit or a final grade:

The Superintendent or designee shall develop administrative regulations addressing the committee's documentation of the decision. |

**Imposing Conditions  
for Awarding Credit  
or a Final Grade**

The committee may impose any of the following conditions for students with excessive absences to regain credit or be awarded a final grade:

1. Completing additional assignments, as specified by the committee or teacher.
2. Attending tutorial sessions as scheduled, which may include Saturday classes or before- and after-school programs.
3. Maintaining the attendance standards for the rest of the semester.
4. Taking an examination to earn credit. [See EHDB]
5. Attending a flexible school day program.
