Good afternoon,

There has been an unexpected series of unfortunate events within my life and has resulted in my having to relocate to another town in December. I have not yet received a contract from Browning Public Schools for the assistant cheer coach position. In the event that I do get the contract, I will return it unsigned to the administration so that another potential employee may be contacted.

I am extremely disappointed that I can't fill this position. If there is anything that I can do or any questions that I can answer until the position is filled. Please don't hesitate to contact me.

I apologize for any inconvenience this may cause.

Thanks and have a great day!
