FOR ACTION

Subject: Approval of Transportation Contract

Mr. Reiniche had concerns in the renewal rate from First Student for student transportation services in District 13, which was at 11.0%. Joining together with Lake Park High School District 108 and Medinah School District 11, a Request to Bid notice was released to see what interest they may be in securing pupil transportation for all three districts.

First Student submitted the following bid for the District's pupil transportation with estimated expenses: an 8.0% rate increase for 2022-23, 4% for 2023-24, and 4% for 2024-25. As a result, the Administration recommends approval of the three-year contract with First Student based on their bid for transportation services. Mr. Reiniche will be available to answer your questions.

Recommendation: The Board approve the three-year contract with First Student for pupil transportation services, as presented.
