**AGENDA ITEM: 12.2**

**TOPIC: Recommendation to Approve New Course – AP Human Geography A/B**

**BACKGROUND:**

In an effort to expand the opportunities for students to earn college credit through coursework at Forest Lake Area High School, teachers and administrators explored potential departments and course offerings for consideration.

**PROCESS:**

With the transition of 9<sup>th</sup> grade to the high school, teachers and administrators endeavored to develop a college credit-bearing option that would be available to our 9<sup>th</sup> graders. It was determined that *AP Human Geography* would be a good fit as the content is appropriate for 9-12<sup>th</sup> grade students, and it provides an additional college credit bearing option for students through the Social Studies department. The course outline and content overview accompanies this course proposal.

**RECOMMENDATION:** Approval of New Course *AP Human Geography*  
*\*To be offered in 19-20 pending Board Approval*
