BP 10080 AMENDMENT OF CHARTER AND TERMINATION OF CONTRACT

A charter school may apply to the School Board for an amendment to its charter during the term of its contract. If the School Board approves the amendment, an amended contract must be executed to conform to the amended charter. The School Board must forward an amended charter and amended contract to the Department of Education and Early Development. A charter school may make minor changes to its program without review by the Department, if they are approved by the district. A change of program that involves the addition of an elementary or secondary program must be approved by the School Board and the State Board of Education and Early Development.

When the charter school updates their vision and mission statements or the strategic plan the Academic Policy Committee shall send this information to the School Board.

The School Board may terminate a contract with a charter school pursuant to the causes set forth in [AS 14.03.256](#).
