Governor Signs Budget and Marshall Plan

Last week, Gov. Rick Snyder [signed Senate Bill 848](#), which contained the budgets for all of the state departments. He signed the entire bill without any line-item vetoes. On Tuesday, he signed [SBs 941-942](#), which contain the Marshall Plan. Then yesterday, he signed [House Bill 5579](#), which included the budgets for School Aid, Community Colleges and Universities. Again, he approved the budgets without making any vetoes.

Miss Monday's *Views From the Capitol* on the Budget? Watch it Now

On Monday, Bob Dwan, Associate Executive Director for the Michigan School Business Officials joined Jennifer Smith, Director of Government Relations for MASB for a *Views From the Capitol* webcast discussing the School Aid Budget. As mentioned, the Governor signed the budget yesterday without any vetoes so all of the information given is completely accurate. Important boilerplate changes, how the Marshall Plan fits in and the various funding categoricals were all discussed. If you missed it, you can [view it now](#).
