Re: Energy Conservation Campus of the Month

Inspections are conducted on a daily/weekly basis in an effort to minimize energy loss throughout the district. An energy saving initiative has been established with a month to month comparison of energy conserved from the fiscal year of 2015-2016 vs the fiscal year of 2016-2017 for the highest percentage rating on energy conserved.

Kennedy Hall showed the highest energy conservation savings for the month of March. Thanks to the routines and procedures from **Kennedy Hall**, they have displayed an outstanding job performance that has earned them a 8% overall savings. We congratulate Mrs. Lisa Ruiz and her staff for a job well done.

"Together we can all make a difference in our Community".

Thank You: Armando Zertuche
