

Browning High School
Athletic Department
8th Grade Participation

Criteria for 8th grade participation in HS Athletics

A student who is enrolled in the 8th grade shall be eligible to participate in a Browning High School Athletic Program based upon need.

All eighth-grade students will be informed of this opportunity and will be allowed to participate in tryouts or beginning practices to attempt to make the team. This will be done by announcing at the middle school the opportunity, and providing information on our website.

A student who is enrolled in the 8th grade shall be eligible in an Association contest, but must meet the following requirements and parameters:

1. The eighth-grade student can participate in all MHSAs contests other than Football and Speech, Debate & Drama, based upon need at Browning High School.
2. The head coach of a sport must complete the participation form for each 8th grader that they have determined has made their team. All signatures must be signed by parents, administrators and returned to the athletic director for final approval.
3. Before an eighth-grade student will be approved to participate at the high school, their parents must give permission, they must be academically eligible based upon MHSAs eligibility requirements, approved by the Middle School and High School Administrative team. (Principals and Athletic Director).
4. Browning High School sport programs that have tryouts to make the team, will allow 8th graders to try out for the program based upon need of the program. Currently Browning High School has the following programs that have tryouts: Fall Cheerleading, Winter Cheerleading, Softball and Baseball. The tryout will be based upon need at the high school level.
If numbers are below the following:
Fall Cheerleading – 15 Winter Cheerleading – 20 Softball – 20

Baseball – 20
5. Browning High School sport programs that do not have tryouts to make the team, will allow 8th graders based upon need of the program.
If numbers are below the following:
Golf – 5 Soccer – 10 XC – 7 Tennis – 10
6. Browning High School Wrestling and Track programs

Track – Coach will need to determine based upon need in a track event, also head coach will set qualifier marks that an 8th grader must be able to meet.

Boys and Girls Wrestling – Need to fill a weight class, no more than 2 per weight class

All eighth-grade students who make the team will need to follow the same educational expectations and MHSA as our high school students. This includes the understanding that:

- a. In the first semester of the year, eighth-grade students act as incoming freshmen and have a “free” semester of participation as far as grades go. If they do not pass 4 classes in the fall, they are not eligible to compete at the high school level in the spring semester. They will get another “free” semester as an incoming freshmen.
- b. This does not count toward their 8 semesters of participation as that rule states they have 8 consecutive semesters to play once they enter high school.
- c. Grade checks will occur as they do with our high school, if they are failing a class, they will not participate that week.
- d. They must live in our district (homeschool is included) or transfer legally as according to MHSA guidelines to participate at the varsity level.
- e. If an athlete is approved for high school participation, they will not be allowed to participate in that sport at the middle school level if the middle school season is at the same time of the high school season.
- f. All eighth-grade students participating in a high school contest must adhere to all other MHSA rules and guidelines.
