### **Whitnie Del Toro & Dan Guerrero - Indian Knoll**

*Submitted by: Michelle Olson, parent*

These two are the dream team, a dynamic duo! They work together flawlessly to create the ideal school environment in every aspect. They are both very hands-on, making sure every student is well supported not only in their learning, but their character development.

My children are thriving thanks to their strong and proficient leadership. I am so thankful for their dedication to Indian Knoll. Their sacrifices to build an amazing school do not go unnoticed. Thank you, Mrs. Del Toro and Mr. Guerrero, for being all in!
