ADDITIONAL INFORMATION AND/OR BACK-UP:

Governor Greg Abbott has proclaimed January as School Board Recognition Month. It is a time to gratefully acknowledge the commitment of the Board of Trustees to our community and our schools.

Our Trustees are committed to assuring that all SBISD students graduate ready for post-secondary success and attain a technical certificate, military training, a two-year degree or four-year degree following high school graduation. (Spring Branch T-2-4)

The SBISD Board of Trustees serves as a strong advocate for public education. These seven public servants, elected by local citizens, receive no compensation for their tireless efforts.

We recognize and thank our Trustees for their dedication to the continuing success of Spring Branch ISD, our students, our staff and our schools.
