Dear Colleague,

I want to take a moment to express my deepest appreciation for the extraordinary work you do each day for our students and community. Your commitment to creating safe, welcoming, and engaging learning environments does not go unnoticed. Whether you are in the classroom, supporting students behind the scenes, or ensuring our schools run smoothly, your care, patience, and professionalism shape the foundation of every child's educational journey. It is through your collective efforts that our District continues to grow, inspire, and succeed.

Thank you for the compassion you show, the challenges you overcome, and the countless ways you go above and beyond to support every learner. Your dedication makes a lasting difference not only in academic achievement but in the lives of the children and families we serve. I am truly grateful for all that you do and proud to serve alongside such an exceptional team.

On Friday, May 8, the District will provide all employees with lunch to express our thanks. Please enjoy the lunch as a small token of appreciation from the D90 Board of Education and administrative team.

With sincere gratitude,

Ed
