Re: Board Recognition Teacher Mr. Carlos Cardenas
DATE: January 28, 2020

I would like to officially request that Eagle Pass High School FFA teacher Mr. Carlos Cardenas be recognized at the next school board meeting. The Texas Farm Bureau named Mr. Carlos Cardenas recipient of the Learning from the Ground Up garden grants for 2020.

Thirty-nine grants were awarded to schools and educational programs across the Lone Star State for their projects that help increase agricultural literacy and awareness. "These grants help teachers, parents and volunteer leaders get students outside and learning about agriculture," Jordan Walker, TFB director of Educational Outreach, said. "The hands-on experiences from the various projects help students better understand classroom concepts and grow an understanding of food production."

Projects include establishing or improving school gardens, raised beds, greenhouses and outdoor classrooms that provide students with hands-on, experiential learning about agriculture and food production. Please help me in recognizing Mr. Cardenas for his dedication and commitment to our FFA students.
