Measures reflect our YTD goal thresholds to evaluate leading data to determine if we are on target for achieving the annual goal.

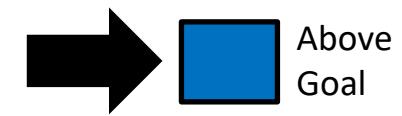

Goal: $\geq 60\%$ annually

7.7.1 % of Overall Events Dedicated to the MISD Fine Arts Programs and Activities

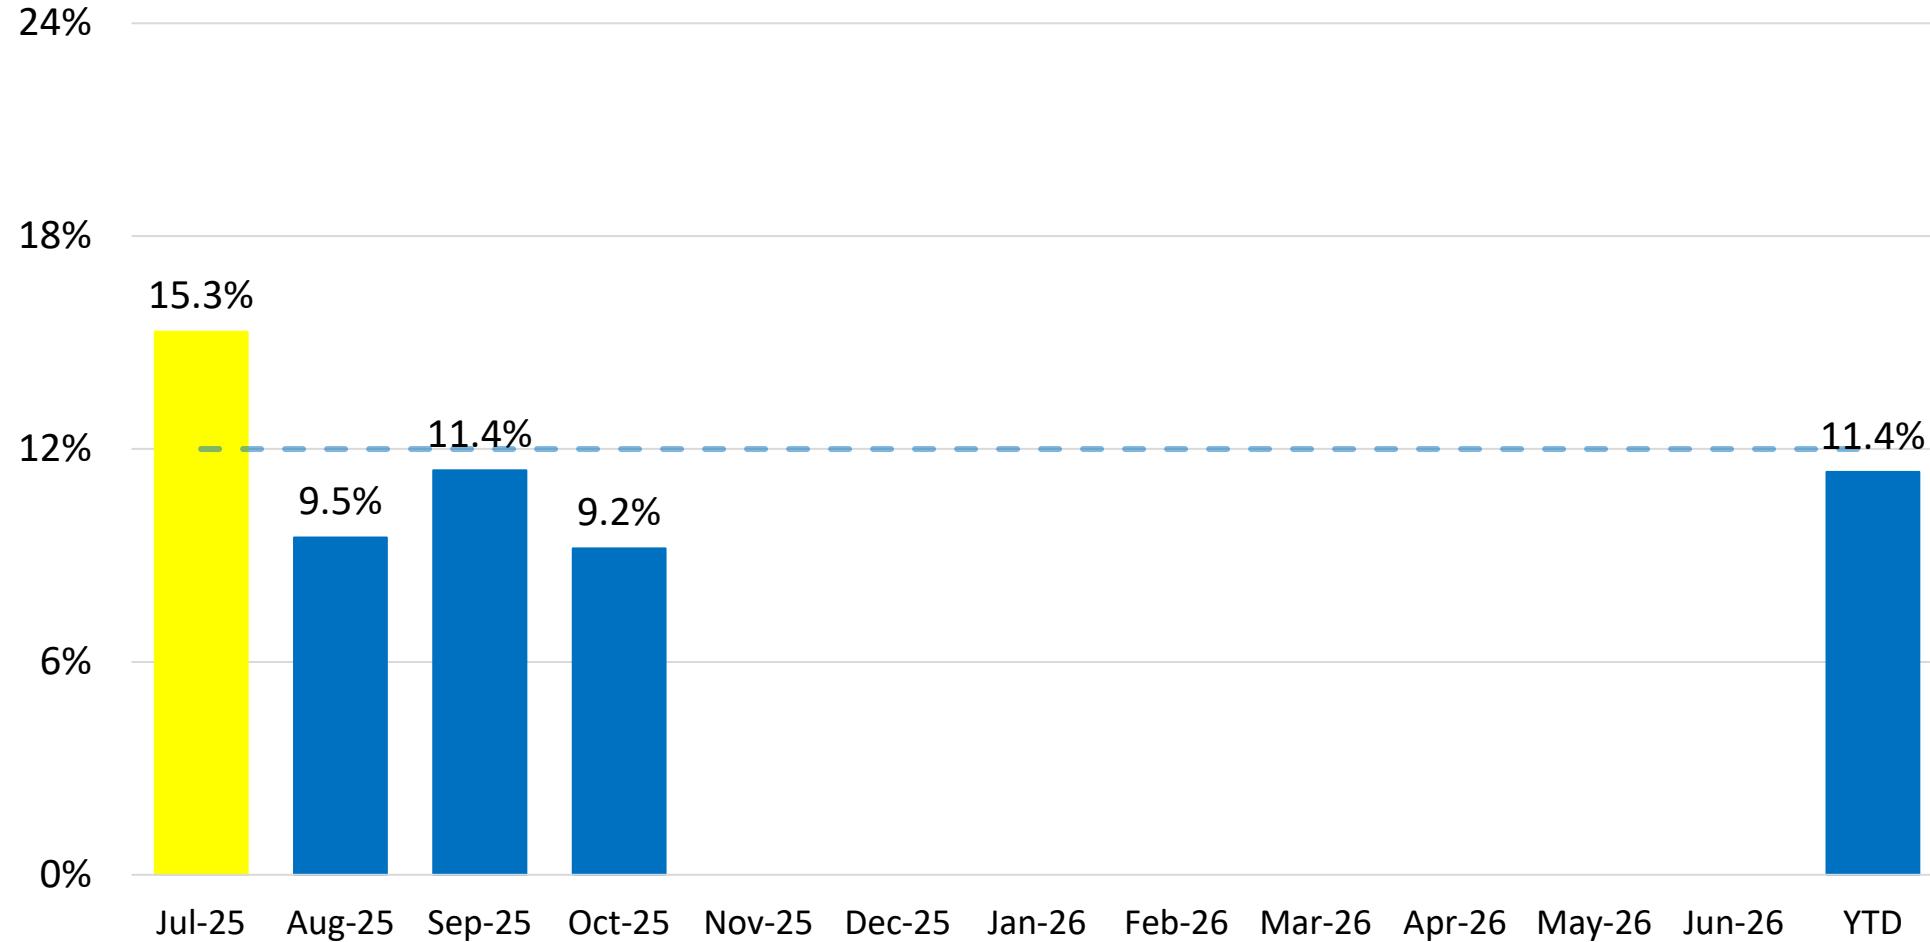

- **What is the problem?** The Center for Performing Arts is not currently meeting the YTD goal of 60% of events dedicated to fine arts.
- **Impact statement of the problem:** Classes and performing groups are just beginning the new school year which causes there to be a low percentage of scheduled fine arts events at the center. The team exceeded the goal in the month of October and we expect the average to be on track for the goal after a few more months.
- **Action to be taken:** No action required, normal trending for this time of year.
- **When will you give your team and executive council an update?**
Next Month.
