

RICK SCHAFER HOMES

INVOICE: 09272401

09-27-24

Ref: Brackett ISD Field House Work

Scope of Work: To provide hot water to the athletes and cleaning equipment in both Field Houses.

We propose to provide the labor to remove the defective hot water heater(Rheem RFD200-91-1) in the Varsity Football Field House, and replace it with a new hot water unit(new model Rheem GNU100-200) ordered through the school administration. We also propose to install a new hot water unit(GNU100-200) in the Junior High School Field House where the older unit was originally located.

Materials: Miscellaneous fittings/connections (both units)	\$300.00
--	----------

Labor: Removal/installation (both units)	\$600.00
--	----------

Total: (These costs will be compensated by the Schafer Family.)	\$900.00
---	----------

Thank you,

Rick Schafer

LIMIT of LIABILITY

The workmanship of the services provided will be performed in a professional manner, warranted for a period of 1 year after completion. The warranties of the equipment will be provided by the manufacturer(Rheem) and passed on to the school(Brackett ISD).

Furthermore, Rick Schafer Homes indemnifies Brackett ISD from any obligation of responsibility for accidents or injuries received during the performance of this Scope of Work.
