Background Information:

The draft policy EIC (Local) recommended by the Texas Association of School Boards (TASB) provides updates to current policy and removes dates that apply to previous graduating seniors.

The changes to class rank calculations begins with the class of 2028.

Recommended Action:

Based on the information provided, staff recommends approval of the recommended updates to policy EIC (Local) provided by TASB. Suggested motion:

I move to approve the recommended changes to policy EIC (local) as presented.
