TO: Dr. Albert G. Roberts, Superintendent of Schools
FROM: Therese M. O'Neill, Asst. Supt. Finance & Operations
SUBJECT: Collective Liability Insurance Cooperative (CLIC) – 2013-14 Renewal
DATE: May 28, 2013

Oak Park District 97 has been a member of CLIC (Collective Liability Insurance Cooperative) since July 1, 1991. This property and liability insurance cooperative was established during the 1983-84 school year with only eight school districts as founding members. Today, the pool now has 172 school districts as members. This property and liability insurance cooperative provides for District's 97's general liability, auto liability and physical damage, boiler and machinery insurance, school board legal liability insurance, study accident, identity theft and pollution liability insurance. Last year's 2012-13 annual premium was \$298,476 and the proposed 2013-14 premium is \$284,806 or a decrease of 4.6% or a reduction in cost of \$13,670 (see attached cost sheet).

This decrease in variable cost is due primarily with the overall pool's experience this past year as well as District 97's actual experience. The fixed cost component has increased and this is primarily due to our increased enrollment. The combination of the variable overall cost decreasing (by \$23,141) and the fixed rate cost increasing (by \$9,471) results in the overall decrease of \$13,670.

We are recommending renewal with CLIC for the 2013-14 school year and this item will return to the Board for approval at its June 11, 2013 meeting.
