

PROMISE OREGON

The Oregon School Boards Association, a member services organization based in Salem, founded “The Promise of Oregon” campaign to focus attention on the accomplishments of Oregon’s kindergarten - 14 students and the need to adequately fund public education.

Oregonians have a long history of realizing the importance of strong public schools, and recognizing the link between an educated populace and a vital economy. Governors across the decades have emphasized public education as the foundation of our state.

To chronicle the aspirations of Oregon’s young people and build support for our public schools, a team from the Oregon School Board Association and Blue Chalk Media set out for schools around the state in the spring of 2014 asking students why they represent the *Promise of Oregon*. www.promiseoregon.org
