Dear Mr. Ryan:

On Wednesday, March 4, 2020 competitive sub-contractor packages were received for the New Denison Technology Building. The Technology Building Project will add needed capacity for the district Technology Services.

The project includes the interior and exterior renovation of an existing structure to accommodate office space for the Denton Technology Department.

We recommend the award of the Guaranteed Maximum Price for the construction of the new Technology Building to Balfour Beatty Construction in the amount of \$2,094,689.

We trust this recommendation meets with your approval and look forward to the successful completion of this project.

Very truly yours,

Sincerely,

Keith S Cummins
