

Agenda Item: VI.D.
Date Prepared: February 25, 2026
ISD 834 Board Meeting

Agenda Item: District Wide Snow Removal and Pavement Treatment
Meeting Date: March 3, 2026
Contact Person: Mark Drommerhausen, Director of Operations

Background:

Each year Stillwater Area Public Schools contracts snow removal and pavement treatment services out for all of the District's parking lots and playgrounds. The total cost of snow removal is determined by the time, type of equipment and amount of salt needed to keep the parking lots and playgrounds cleared of snow and treated for ice.

The District has entered into agreements with Miller Excavating and Bell Excavating to provide the snow removal and pavement treatment for the 25/26 school year. Because of the amount of nuisance snowfalls in December and January, the total dollar value of each contract could potentially exceed \$175,000. Administration is seeking approval to proceed with the snow removal and pavement treatment contracts for the remainder of the school year by exceeding \$175,000 overall contract(s) value.

Location(s): District Wide

Project Name: Snow Removal and Pavement Treatment

Fund: Fixed Operational Budget

Item: Snow removal and pavement treatment agreement for Miller Excavating Inc. and Bell Excavating Inc.

Amount: Dependent on the number, size and duration of winter precipitation events

Recommendation:

A motion and a second to approve the consent agenda will be requested.

Motion by: _____ **Seconded by:** _____ **Vote:** _____
